### **Nature and Extent of involvement of faculty and students in academic affairs / improvements:-**

The main goal and object of the society: To promote medical, paramedical and technical education in the region, to provide relief to the poor, free education to the deserving candidates, to meet the human resource requirement for drug store management, pharmaceutical industries, community pharmacies, hospitals, and to promote education and research of high standard in pharmaceutical sciences.

### **Mechanism/ Norms and Procedure for democratic/ good Governance:-**

All activities are carried out as per the approved norms. Feedback collected from different stake holders is analyzed from time to time and used for democratic/good governance.

### **Student Feedback on Institutional Governance/ Faculty performance:-**

Principal and proctors interact separately with the students of each class periodically and collect their feedback on the facilities provided by the institution like laboratories, library, canteen, games & sports etc. and also on the performance of the faculty and other staff members. Their views are taken into consideration to improve the quality of education imparted by the institution. Students' feedback on the teachers' performance is collected through questionnaire circulated among the students. The students need not disclose their identity while answering the questions and it helps to get unbiased opinions of the students.

## **Grievance Redressal mechanism for Faculty, staff and students:-**

The problems of the students are discussed at the proctor & staff level by the principal with the help of special committees if required and the genuine grievances are attended to at the college level. The governing body of the college shall be consulted wherever necessary in redressal of the grievances. The grievances related to faculty & other staffs are discussed at the college level in the staff meeting and the suggestions are forwarded to the governing body if necessary for redressal. Grievances Redressal Committee and on-line Grievance redressal mechanism are in place to take care of the grievances of the students or staff. Grievance Redressal Committee refers the matters to Ombudsman appointed by the University if necessary.
